### UCLA Aquatic Center

Any campers (ages 7 and -14) that are scheduled to go off-site for UCLA Youth Programs will do so at the Marina Aquatic Center. The aquatic center is a short walk (10 minutes) from Ballona Beach. While there, our campers (ages 7-14) will get to learn from trained professionals the basics of sea kayaking, and the fundamentals of sailing, and for campers ages 11-14 windsurfing. Life jackets are worn at all times and this all takes place within the harbor, making it the perfect class for beginners. Our 11-14 year olds will also have the opportunity to participate in surfing, again under the instruction of UCLA Youth Programs at their site on Venice Beach (campers will be transported by van). It is not mandatory for campers to take part in these activities, however counselors will be present with a few techniques to encourage those who are just not sure (unless otherwise specified by parent/guardian). Any camper not ready to venture out will remain on dock with a counselor and play games. **Please take notice of the separate Waiver of Liability, Assumption of Risk, and Indemnity Agreement that must be completed for participation in kayaking and sailing. Both pages must be completed and returned.**
